Weird, huh...

Honoka and I...

Until we became Pretty Cure, we didn't even know each other...

We beat the new enemy sent from the Dark Zone, Gekidrago, who had power matching our own...

What will happen when we collect all seven Prism Stones?

I wonder how long... we will have to continue fighting...

AA AH !!!

But... since we also have some stones here, those people from the Dark Zone will attack without giving us time to rest...

There are still 3 Prism Stones that we have to get back-mepo.

Therefore, we must also get back the Prism Stones quickly, right?

Anyway, we need to revive the Garden of Light quickly-mepo.

Wow. The power to create all things is amazing...

The true meaning of the power to create all things will materialize, and everything in the Garden of Light will be just like it was before-mipo.

When all the stones are gathered...

If we all join our power together, I'm sure we'll be successful-mipo!!

Nagisa!

Yukishiro!

Why!? Why!? why!? Why!?

A-Ah... That's...

Huh?

Matching pouches!!

I wonder what it is they do together...

Recently, those two are always together, aren't they...

We've got some stuff to talk about, too... Let's go, let's go!

S-Sure... You're right, Honoka.

See ya, Shiho, Rina.

Let's go see the soccer club practice... okay?

HEY!! WHAT ARE YOU DOING, KIRIYA!!? DOING A ROUGH PLAY FROM THE BACK LIKE THAT!

GUUH!!

FWWSHHH

WAH!

Anyway, Kiriya, dangerous play is absolutely not okay.

You're at fault right now.

Kiriya just joined so he still doesn't understand the difference between aggressive play and fouls.

Cap-tain!!

W-Wait!

Friends...

So you'll make friends soon.

Everyone here's in the same club. We're all friends.

Come on, practice, practice!!

Tch. What was that about?

That's okay. I'm free, anyway.

You're helping with the harvest of a friend's farm, right?

Sure.

There is this thing next Sunday, but...

Oh, that's right, Nagisa.

I get the feeling that Kiriya is the type that doesn't adapt himself to his surround-ings...

Haa.

F- For real!?

W... We'll be with FujiP-senpai...!?

WHAAAT!?

Thank goodness.

I'm sure Fujimura will be glad, too.

F... Farming together with Senpai...

What should I do...

I guess it'll be okay if I wear any of them...

Sis, you're still doing this?

GRIN ニヤ

Working together like this sure is fun, huh?

Let me help you there.

W... Why...

W-Why are you choosing clothes so carefully for helping a farmer...

Ryouta!! Haven't I told you not to look into my room without permission!!?

SQUEEZE

Ah...

Waaaah!! What am I thinking!!? I don't believe this!!

Mom, Sis is acting weird...

Kyaaa! Senpai!

Today's members are all connected to the soccer club.

Now now, Grandpa, rest at ease.

Even though I already said I'm fine.

Everyone, thank you. We're saved thanks to you all.

Kiriya, you're with me, okay?

Okay, I'll do it with Grandma.

Whaaat!? Honoka... Even if you decide something like that...

you two will be good in a pair since you're both in a sports club, won't you?

Fujimura and Nagisa...

That is why you must harvest a lot, you see?

All these fields are part of your farm, old lady!? It's freaking huge!!

Well then, let's go, Misumi.

O... Okay...

Oh, Misumi, you're amazing!!

S-Something... I've got to say something. Calm down, Nagisa. Aaaah, what do I do?

JAM

JAM

JAM

Misumi, you're great.

H... He praised me. I was praised by senpai!!

WHAT!?

There are plenty of girls who hate this kind of hard, dirty work, isn't there?

H... Huh? I didn't realise...

Your performance is great.

Cabbage is...

CRUNCH

POP

Kyaaaa... I did it...

POP

POP

Kiriya, if you are done over there, then next is...

a plant native to the western parts and southern coastal areas of Europe.

It is the same species as broccoli, cauliflower, kale, and brussels sprouts.

It doesn't start off round, though. It's a plant similar to spinach.

Kiriya!

There is a lot. That's why we have to combine all our strength and do our best.

There's too much, but... we can't do it all.

Everyone is trying their best!

Don't be slacking off.

Hey, help me.

Isn't it because we join together that humans are strong?

Because nothing can be done if you don't join together

Humans are weak.

Hey, let's have lunch.

Please eat first.

W... Why!?

Cabbage, cabbage, cabbage...

...They're troublesome. Humans are weird.

Humans this, humans that. You're human, too, aren't you? You're a strange person, you know that?

Because you were slacking off and didn't do your share, Kiriya.

Whaaat? No way.

That's because Honoka can be quite severe.

She's scolding that guy Kiriya.

WA AA AA AH!!

KIRIYA!?

THUD

That's Honoka's strong point over there, but...

she's only saying tough things simply because she's thinking about him...

THIS IS SERIOUS!! YOU'RE BLEED-ING!!

ARE YOU OKAY, KIRIYA !!?

Aaaaah. Even though we went through so much trouble to pack them...

Because bacteria can get inside and it can fester.

Stop it.

Nothing can get inside a scratch like this.

Treat-ment comes first!

Senpai, what about the cab-bage?

PRE-Q BAN

Why do you treat other people's injuries...

I can't ignore a person who is hurt, can I?

Why...?

Now, let's get the remainder and do our best.

I'll carry them this time.

CAW CAW

...It's really all over...

...Huh? Where's Kiriya?

Even though he was here until a little while ago..

Everyone, thank you

Kiriya.

that humans are strong?

Isn't it because we join together

Poisonny ...

Kiriya, perhaps you intend

to take in being human, but on the contrary, aren't you the one who's being taken in?

If you are having those feelings, then you are not living.

Don't slack off.

Hmph. I will not fail, understand !?

Playtime is over now! Be serious!!

Are you okay ?

Sis, you've been having a hard time with Pretty Cure, haven't you?

Impossible!

Do your best, Poisonny.

Even if it costs me my life!!

I will take back the Prism Stones without exception!!

That's right!! And unlike me, you have good grades, too!

Have confidence, Seiko! You're cute and gentle!!

It can't be that hard!!

Y-Yeah. I really like Kiriya... but...

Whaat!? Seiko, really, really, really!?

Hey, hey, hey, Yukishiro, could we get some words from you, too?

How should Seiko confess her once-in-a-lifetime love? It's decision time, after all.

A confession of love!? I see...

I think that conveying your feelings to your partner is a very important thing.

As expected, Yukishiro!! You always say nice things.

You'll be fine. Because we'll all support you!!

That's right, Seiko! Go for it!

Kiriya

You come here frequently, don't you?

Do you love studying that much?

Yeah, I love it

Do you need something from me?

Uh... No... It's just...

I... I don't understand what everyone around me is thinking very well.

But, socialising with people is difficult, you know...

Then you will truly understand each other's things, and be able to be kind to them or get angry with them...

For example... you need to try conveying your own feelings to others properly...

Perhaps, it's because you're not trying to make friends with people properly, don't you think?

Leaving that aside... is your cut from before okay?

Uh... Yeah.

Thanks to this...

SMILE

Thank goodness.

Kiriya, you may be used to getting letters, but...

Here... Please read it.

...I'm Taniguchi Seiko, from 2nd year Sakura class.

Who are you?

CHIRP チチ...

Huh? What is this? I don't understand well, but...

Isn't that Yukishiro from the girls' section? What did she come here for!?

Hey, that's...

Why did you do something like that?

Honoka...

It's all my fault! Uuu...

Whaaat!? Honoka marched into the boys' section!?

IT'S TOO CRUEL !!

BE MORE CAREFUL WITH OTHER PEOPLE'S HEARTS!!

Seiko wrote that letter with all her heart! How could you destroy it...

So she is more important than me...

You're right!

I'm not an adult !!

Be the adult here!

Now now, Hono-ka!

You're annoy-ing.

You were supporting her, weren't you?

Huh...?

SO, DO YOU UNDERSTAND MY FEELINGS!?

WEREN'T YOU THE ONE WHO SAID TO THINK ABOUT OTHER PEOPLE'S FEELINGS !!?

WHAT ARE MY FEELINGS !?

But, but... Kiriya, I'm sorry...

You're right... I don't know... anything about you, Kiriya...

YOU DON'T KNOW ANYTHING ABOUT ME!

SO DON'T SAY SUCH INSOLENT THINGS !!

Ki-ri-ya...

I'm sorry ...

See ya next time
